Pharma Industries Training

Biosafety – Lead Instructor Brian Petuch (Online)

Title	Dates	Hours	Fees USD/EUR
Biosafety Risk Assessment Basics	March 4	2	250
Centrifuge and Autoclave Safety	April 3	2	250
Spill Response for Biological Agents	July 8	1.5	200
Basic Disinfection for Infectious Agents	August 12	2	250
Biosafety for Biological Product Manufacturing	September 16	2	250
Biosafety and Industrial Hygiene	November 4	1.5	200

Toxicology– Lead Faculty Dr. Joe Nieuwsma (Online)

Title	Dates	Hours	Fees USD/EUR
Acceptable Daily Exposures (ADE) and OEL Setting Process (Case Studies)	June 23-24	4	400
Safe Handling Guidelines for Drug Discovery	June 25	2	250

Process Safety Management–Lead Faculty Ong See Hee (CCPSC), Subhash Babu (CCPSC)(Online)

Title	Dates	Hours	Fees USD/EUR
Fundamentals on PSM	March 24	2	250
Lessons Learned from PSM Incidents	May 20	2	250
Inerting Validation and Vent Sizing	July 22	2	250
Dust Hazard Analysis	November 17	2	250

Accolades

“Fantastic training for EHS team”.

“Every colleague has shared that the session added great value”.

“Discussions drove home the knowledge of how potent compounds can easily spread”

Pharma Industries Training

Potent Compound Handling – Lead Faculty: Ankit Sharma, Prasanth K., Maharshi Mehta

Title	Dates	Hours	Fees USD/EUR
Challenges in Exposure Assessment for Potent Compounds	April 24	2	250
Case Studies in Potent Compound Containment	June 26	3	300
Case Studies on gowning, de-gowning and respiratory protection	July 24	2	250

PSCI/EHS Auditing Lead Faculty: Roberta Haski Maharshi Mehta

Title	Dates	Hours	Fees USD/EUR
Preparing for an EHS/PSCI Audit	June 30	2	250
Auditor and auditees lessons learned	July 21	2	250
Addressing Most Common Audit Findings	August 25	3	300

In-Person Workshops on (a) Potent Compound and Toxicology (b) Process Safety Management

Tokyo Japan March 24 - March 28

Accolades

“Your expertise helped in making the material more relevant and memorable leading me to gain greater confidence in IH related issues.”

OHTA Courses (Online)

Join 300+ EHS professionals on pathway to ICertOHTA!

Title	Dates	Fees	
		USD	INR
OHTA501: Measurement of Hazardous Substances	February 3-7	1100	35,000
OHTA 502: Thermal Environment	March 3-7	1000	30,000
OHTA 505: Control of Hazardous Substances	May 26-30	1000	35,000
OHTA 507: Health Effects of Hazardous Substances	July 21-25	1000	35,000
OHTA 503: Noise Measurement and its Effects	September 15-19	1000	35,000
OHTA 506: Ergonomics Essentials	October 27-31	1000	35,000

(Refer to <https://ohtatraining.org/> for information on international certification in occupational hygiene (ICertOHTA))

Applied Occupational Health and Safety General Industries

Title	Dates	Hours	Fees USD/EUR
Effective Respiratory Protection	April 24	3	300
Applied Laboratory Safety	May 29-May 30	6 (3 hrs/day)	450
Metal Working Fluids – assessment and controls	July 31	1	100
Welding – exposure profile and controls	August 28	1	100
Sustainability assessments (EcoVadis)	October 23	2	250
Biosafety for General Industries	November 20	2	250

Training In French Language

Title	Dates	Fees (USD/EUR)
Potent Compound Handling	July 31	250
Effective Respiratory Protection	August 28	300
Applied Laboratory Safety	September 2	300

Training in Mandarin中文 Lead Faculty: Siyao Lu, CIH

Title	Dates	Total hours	Fees USD/CNY*
Effective Respiratory Protection 有效的呼吸防护	April 22	3	\$250/ ¥ 1500
Applied Laboratory Safety 实验室安全	June 20	6	\$350/ ¥ 2500
Principles of Local Exhaust Ventilation and Measurement 局部排风系统及检测	July 17	4	\$300/ ¥ 2000
Welding and Hexavalent Chromium – exposure profile and controls 焊接与六价铬 – 暴露与控制	September 26	1	\$100/ ¥ 800
Metal Working Fluids – assessment and controls 金属切削液 – 评估与控制	June 6	1	\$100/ ¥ 800
Potent Compound Handling and Control 高活物质操作及控制	June 7	1.5	\$150/ ¥ 1000

Experienced ISS Faculty

Ankit Sharma CIH LFOH
Associate Director
13+ years of experience

Maharshi Mehta, CSP, CIH, FAIHA
President
35+ years of experience

Prasanth K CIH EMEA Associate Director
13+ years of experience

See Hee Ong CCPSC
Advisor- EHS Auditing
40+ years of experience

Brian Petuch CBSP RBP
Project Manager – Biosafety
35+ years of experience

Pascal Kerneis HTC IPRP
Project Manager - France
15+ years of experience

Roberta Haski
Project Manager
30+ years of experience

Joe Nieuwsma
Senior Toxicologist
30+ years of experience

Adhiraj Bandekar
ICertOHTA
Dy. Project Manager
8+ years of experience

Subhash Babu CSP, CCPSC
ICertOHTA
Dy. Project Manager
13+ years of experience

Siyao Lu MPH CIH
Project Manager
7+ years of experience
